This exhibition is dedicated to the memory of **Captain L G (Bill) Bellamy** - a true friend of Mayday Trust and former Chairman of Trustees

An introduction to Mayday Trust

Mayday Trust was first registered as a charity in 1979

The seed was sown in 1976 after Probation Officer Michael Varah and Probation Volunteer Jim Higgins spotted a link between re-offending and homelessness.

Soon after, they founded their first 'hostel' in Rugby

Mayday provides specialised support, accommodation and life-skills training for vulnerable adults

Our clients include young people leaving care, victims of abuse, those with moderate learning difficulties and recurring mental health problems, ex-offenders and those with a history of substance misuse

In recognition of its founders, the Trust has recently introduced The Michael Varah & Jim Higgins Award For Excellence. With support from The Michael Varah Memorial Fund we will be distributing £1,000 to support some of our most outstanding residents to achieve a vocational goal

Our former Chairman, Bill Bellamy, passed away on 18 March 2009. We are dedicating this exhibition to his memory. Bill's family are attending the event as our Special Guests and will participate in the awards presentations

Calendar of Events : 2009
